14. Indefinite Iteration. Most contemporary investigations the IPD take it to be neither infinite nor of fixed finite length but rather of indeterminate length. This is accomplished by including in the game specification a probability  $(p)$  (the "shadow of the future") such that at each round the game will continue with probability  $(p)$ .

## **65C-14 : CHILD-CARING AGENCY LICENSING - Florida**

This chapter examines events and human behavior that both unsettle us and elude our attempts to explain them. The readings force us to confront the shocking violence of the Holocaust and reflect on the range of human behavior revealed in the choices of perpetrators, bystanders, resisters, and rescuers.

### **Pesticides | US EPA**

The narrator finds the behavior of the politically correct members of the Brotherhood to be more baffling than the behavior of the drunk man. The drunk man had somewhat good intentions at heart: he simply wanted to hear the narrator sing. The sensitivity of the Brotherhood towards questions of race starts to seem fragile and unrealistic.
