Innovative Methods in Logistics and Supply Chain Management Thorsten Blecker,2014-09-24 Innovative Methods in Logistics and Supply Chain Management

Strategic Operations Management Robert H. Lowson,2003-08-29 This text combines four themes: strategy, services, innovation and management of relationships, both in the supply chain and with other players. Mini case studies are used to supplement the text.

A Life Inside Erwin James,2003 In the mid 1980s Erwin James was sentenced to life imprisonment. Over recent years, he has written powerfully about prison life for the Guardian. James writes candidly about learning the who, what, why and when of the prison world.

Yvain Chretien de Troyes,1987-09-10 The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

Kumba Africa Sampson Ejike Odum,2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet

unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contests etc; Early morning during Harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the Harmattan. That was the Africa of old we will always remember. In Africa today, the story has changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually being replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now being replaced by heavy trucks and lorries. African traditional methods of healing are now being substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Bodyguards in Love: Carol Lynne, 2010-02 Brier's Bargain Love is always special, but when you're a thirty-six year old man experiencing it for the first time, it's everything. After spending his entire life in a hospital, Brier Blackstone is finally free to become the person he's always wanted to be. With the men of Three Partners Protection Agency as role models, how can he go wrong? And falling in love with bodyguard Jackson Benoit, is a dream come true, but the dream becomes a nightmare when Jackie is gravely injured in the line of duty. Feeling helpless, Brier makes a promise to God in exchange for his lover's life. One he intends to keep no matter what. Jackie Benoit cherishes the love he's found with Brier. When his new lover insists on testifying against a violent man from his past in order to fulfill a promise, Jackie has no choice but to try to stop him. If that doesn't work, Jackie will protect Brier with everything at his disposal. Seb's Surrender After a lifetime of abuse, Jared Grant was rescued by Brier Blackstone and taken to one of the safest places he knew, the bodyguard dormitory of the Three Partners Protection Agency. For the first time, Jared is surrounded by men whose job it is to protect, not hurt him. One of his protectors, Sebastian James, knows a little something about abuse. Once a victim of abuse before he and his brother were taken from an abusive household and put into separate foster homes, Seb learned to harden his heart as a way of survival. Now, the soft spoken and scared Jared threatens the shell Seb spent years fortifying. When Jared's tormentor threatens him from jail, it's up to Seb and the rest of the bodyguards to keep Jared safe until he can testify at his abuser's trial. However, the close contact might be more than Seb's hard shell can withstand.
